Hi my name is Jennie Reay. Working as a healer, counsellor and with Spirit has been in my heart for as long as I can remember. EXPERIENCE

I began my therapeutic practice in 2007 as a Bowen Therapist following years of fatigue and pain which was relieved following Bowen treatment. This, and my interest in Spiritual well-being, led me to discover Reiki in 2009. My training with a Psychic Medium opened the floodgates to my own spiritual abilities, and so began my personal journey into learning all things psychic, spiritual and healing in nature.

In 2011 I began my Psychodynamic Counselling training, joined a spiritualist church, open circles, meditations and workshops. Workwise, I practiced independently as a holistic therapist, counselled at Wirral Mind, and taught English, Maths, It, and Employability Skills to adults. By 2016 I was training counsellors at Jean Little Counselling Agency and would later complete my Supervision Diploma enabling me to supervise other professionals. I have since completed Psychic and Mediumship Training with Tracy Melia of Eternal Law, courses with Arthur Finlay College, Soul Retrieval with Christine Mccinnon and Spirit Release Training with David Furlong. I have experienced healing and therapeutic work myself with some amazing teachers and my connection with my own personal guides has brought me here today. As well as offering many 1 to 1 therapeutic sessions, I have been training other healers, psychics and mediums since 2017

I love this Work. It's My
Passion,
My Soul and My Own Life
Journey!
